so we were gradually losing altitude, flying alone towards England over Belgian-German border when attacked by E.A. 3 were attacking the tail when this one came around to make a head-on attack. (another circled overhead)

I started firing on him at about 3 o'clock with the right nose gun. He charged to the flexible nose gun as he turned to make a 12 o'clock attack. At about

100 yards he fell off to his left and went into a spin. Lots of smoke came from his A/C. Straight down under us. Immediately

after we were instructed to bail out as our ship was on fire. *

~~The Belgian people~~ told us that a German A/C crashed in the same forest. ~~that our plane crashed.~~

In fact they were reluctant to help because they thought we might be Germans.

* Naturally we couldn't see it after passing under us but the Belgian people
